**Disability and Access
Verification Form for Students
Requesting Emotional Support Animals**

This form is intended to assist in meeting our documentation requirements for students requesting to bring an emotional support animal to live in campus housing. However, if not thoroughly completed, it may not be sufficient as the sole form of documentation provided. Please refer to the “Guidelines for Documenting Requests for Emotional Support Animals” for comprehensive documentation requirements and additional information. To ensure the provision of reasonable and appropriate accommodations, students requesting services must provide current documentation of the disability. The age of acceptable documentation is dependent upon the condition and the nature of the student's request for accommodations. Documentation that reflects the *current* impact on the student's functioning should be submitted. Present symptoms that meet the criteria for the diagnosis must be noted. To standardize our gathering of information, we ask that you complete the following questions, even if the material has already been included in your evaluation. If the space provided is not adequate, please attach a separate sheet of paper. All information will be kept confidential. Please feel free to contact D&A at (512) 471-6259 with questions.

The information below is to be completed and signed by the student.

I request and authorize The University of Texas at Austin University Health Services (UHS), Counseling & Mental Health Center (CMHC), Disability and Access and/or my off-campus provider
(name) _____ to release, fax, mail or discuss with each other information related to my request for housing accommodations
