Disability and Access Verification Form for Students with Autism Spectrum Disorders

This form is intended to assist in meeting our documentation requirements for these disabilities. However, if not thoroughly completed, it may not be sufficient as the sole form of documentation provided. Please refer to the “Guidelines for Documenting Autism Spectrum Disorders” for comprehensive documentation requirements and additional information. To ensure the provision of reasonable and appropriate accommodations, students requesting services must provide current (within the last 3 years) documentation of the disability. This documentation should provide information regarding the onset, longevity and severity of symptoms, as well as the specifics describing how it has interfered with educational achievement. Please include a copy (including test scores) of any relevant psychoeducational or neuropsychological reports. To standardize our gathering of information, it is recommended that you complete the following questions, even if the material has already been included in your full evaluation. *The provider completing this form cannot be a relative of the student.* All information will be kept confidential. Please feel free to contact D&A at (512) 471-6259 with questions.

The information below is to be completed and signed by the student.
